1ST AGE GROUP GRADUATES TRIAL FAVORITES

By Beth Kaufman, National Age Group Chairman

The summaries of both the Senior men and Senior women Nationals held this spring were an interesting study of the effect brought about by the Age Group Swimming Program. The first Age Group Program was published on a National basis in 1952. In checking the times of the two Nationals that were held this Spring, familiar names stood out as if printed in italic type. Names that year after year I have had listed in the National tabulation of the Age Group Program. It was noticeable that many of these youngsters, who are now Olympic prospects have had their names yearly listed as top swimmers from their respective associations. It was also interesting to see the gradual spread of competitive swimming.

From October 1950 to October 1951, the year previous to the acceptance by the National AAU Body of the Age Group Program on a National basis some of the names listed are Sylvia Ruuska, Nancy Simons, Barbara Stark, Sue Doll, Gary Heinrich, Bob Wegman, Gordon Collett, Dick Beaver.

It was in 1952 that the first report on Age Group was published on a National survey:

1952 Eileen Murphy, Conn. – Patty Kempner, SPAAU – Christine Kluter, LE – Sylvia Ruuska, PA – Fred Woertman, Metro – Ralph Kendircks, PA – George Harrison, PA – Pat and Mike Mealiffe, Central (then swimming for George Haines in Santa Clara – what has become of Pat? – Orrie Nordstrom, Ind. – Bill

FROM THE EDITOR

I have just returned from a visit to Chicago and Cuyahoga Falls, Ohio and have found that age group swimming has far outstripped available pool time. A.A.U. officials have streamlined their meets, and still find them running late due to numbers.

Secondary meets (novice) which feed the open age group meets are likewise enjoying their greatest popularity ever.

Learn-to-swim programs at public park and recreation facilities, clubs, Y's and swim schools are in most cases over subscribed. I enjoyed watching the Portage Park Swim Team assisting the park department in signing up swim recruits . . . a small payment in service for their use of the public 50-meter pool.

Young coaches all over the country are helping supply the impetus to the program . . . giving uncompensated, long hours of devoted duty and inspiring the age group swimmer to develop and do his best. They too are developing stature and from thence will come more Gene Lee's, George Haines', Dave Beaver's, John Galvich's, Walt Schlueter's and more too numerous to mention.

Areas without adequate pool facilities are forming clubs or associations on a coop basis (a partial answer to community lethargy).

1960 will be Age Group's greatest year with almost double the number of participants of last year when in excess of 25,000 age group competitors were listed as swimming in meets in various parts of the country.

* * *

JUNIOR SWIMMER has also been engulfed by age group. Meet summaries are coming in faster than can be processed and published. PLEASE TYPE MEET RESULTS IN AGE GROUP ORDER and IN SEQUENCE OF EVENTS AS PUBLISHED IN JUNIOR SWIMMER. Be sure to include club abbreviation code and indicate length of course. Meets not published this month, that occured in late June and July, will be run in the next issue. All meets received this summer will be run by fall, so continue to mail them in.

Sincerely,
Albert Schoenfield

MANN AND STAGER REPORT

Matt Mann, Swim Coach, Oklahoma University and 1952 U.S. Olympic Coach Makes His Pre-Game Report. It is a pleasure for me to gaze into the crystal ball and predict the outcome of the 1960 Olympics in men's swimming because I am sure we will do very well. I have great confidence in the athletes and in Gus Stager, the young American coach. We are approaching the games with the attitude that hard work and a little bit extra at the right moment will get the job done. Our athletes are neither over-confident as they were in the years preceding the 1956 games, nor under-confident as they were in the weeks preceding the 1956 games.

The best yardstick on how we are comparing with the Australians and the Japanese, our two principal rivals, is the selection of times recorded at the NCAA and NAAU meets this spring. Not only were these times faster than ever before, but for the third straight year they were much, much faster than the year before. I speak of depth as well as individual brilliance. It was not uncommon to see four or five men break the existing American record. Times in Olympic years are always an important barometer and this year's indoor times plus early season long course times indicate that we should win the butterfly, do very well in the backstroke and much better in the freestyle events. We could very well take it all.

I have several reasons for my optimism. By 1952 when the American team did so well at Helsinki, the rest of the world had just about given us the meet before we swam. U.S. swimmers swam well, each going faster than he had ever gone before, but in fairness to the others, many countries were not yet completely recovered from World War II.

Australia Wins Butterfly

Of significance was the fact that the Australians won just one gold medal, the butterfly breast stroke crown, won by Johnnie Davies, who had been my captain the year before at the University of Michigan. Incidentally, Johnnie's record will stay in the books longer than any of the great 1956 Aussie performances, since his event (the fly with breast stroke kick) is no longer an Olympic event.

From this poor showing in 1952, the Aussies decided to work if they were to do well in their 1956 Olympics. They went to work with a vengeance while the U.S. was in an era of complacency, convinced that they would go on winning men's Olympic swimming championships forever. A large percentage of the U.S. champions during the next four years were foreign boys taking advantage of U.S. educational and athletic training opportunities the way Johnnie Davis had done at Michigan. While we marveled at the Wardrop twins from Scotland, at Lincoln Hering from New Zealand, at Rex Aubrey from Australia and at a whole string of fine South African swimmers at Oklahoma, the local boys were not working any harder than usual and perhaps not as hard. The best of these were Hawaiian born Kono, Woolsley, Cleveland and Oyakawa. As 1956 approached these athletes were getting old as swimmers go. In the meantime the Australians were working with a whole new generation of swimmers who were working harder and with more determination than any swimming team had ever worked before. This squad caught fire and their times began going down so fast that they surprised even themselves. Instead of merely catching up to the world's best, they shot way out in front. As time for the games approached, swimmers elsewhere in the world were stunned at the times they heard coming out of Australia. Old-timers like Kono, Oyakawa, Wardrop back for another Olympics, felt whipped before they got into the water.

U.S. Wins One Event in 1956

The U.S. in 1956, like Australia in 1952, won only one swimming gold medal (the same one, butterfly) and a whole new cycle began. The Australians are now somewhat on the defensive. They made their greatest forward strides between 1952 and 1956. The Aussies are still on top but they are not way out in front as they were in 1956. Other swimmers will no longer give up at the sound of a public address system recounting Aussie training methods and times. A new generation of Aussie swimmers has been alternately discouraged by the formidable times set by a mature swimming country. The Aussies can no longer surprise a world that has now been studying their method and copying the best of it for four years.

In the United States only Breen, Hanley, McKinney and Jones remain as relative Olympic old-timers still swimming competitively. Our stake is now with a new generation of swimmers. We have worked hard for four years to catch up. We have been inspired by dramatic and constant record breaking in which huge chunks of time have been cut from our 1956 times and records. I do not say that we are as yet better than the Australians, but we are improving at a greater clip and we have more people swimming seriously as never before in this country or anywhere else.

There is an additional climate advantage in our favor this year. The Rome Olympics will be during our summer and during the Australian winter. The reverse of this situation was a handicap to Bob Muir's American team. In any case, we are now in the position of an eager young challenger trying to catch the champion. We will not be the favorite but we are coming fast right now. Will we improve enough between now and Rome to catch the Aussies? I think we will, but that is only the calculated guess of an old swimming coach who has always been an optimist. If you are the worrying type who doesn't buy all this optimism, then you can worry about the Japanese, too. They are also a young challenger hot after the champion. Those Aussie favorites could finish anywhere from first to third, and so could we. The point is that nobody will run away with it this time. Regardless of the team score, which we are not supposed to keep anyway, all the races will be close.

ON U. S. OLYMPIC PROSPECTS

Gus Stager, Swim Coach, University of Michigan and U.S. Men's Olympic Team Coach Makes His Pre-Game Report.

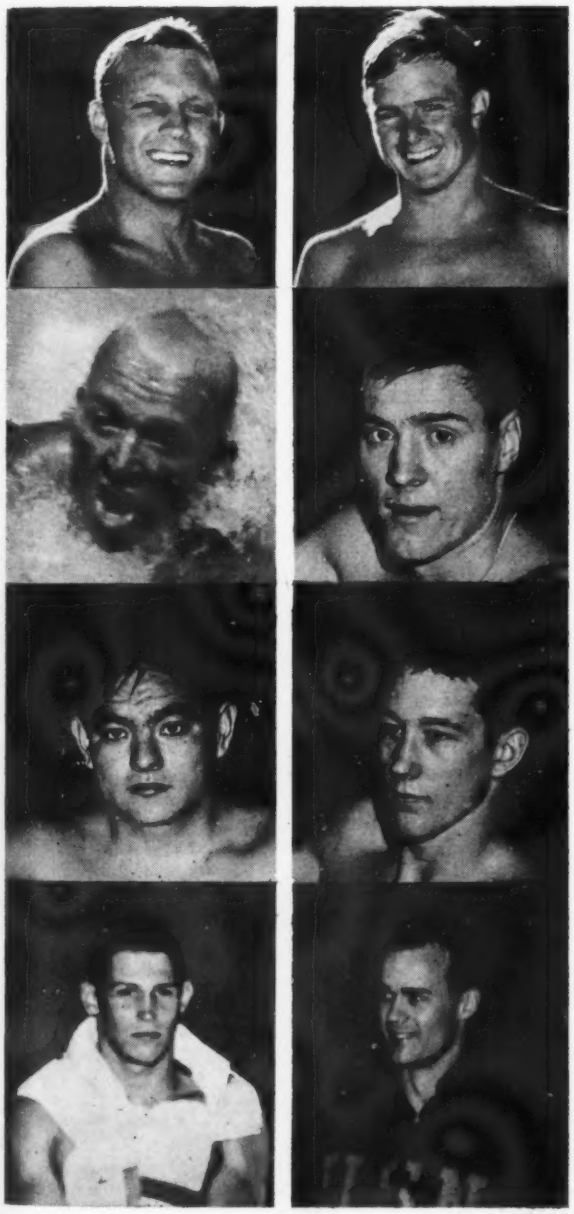
That the United States is on its way toward regaining its past stature in World Swiming Competition is evident to coaches, amateur swimmers and even to the casual observer. This aggressive movement toward finer performances in all sports (especially evident in the recent Olympic Track and Field Trials), can be noted in swimming by the considerable improvement in swimming times from age groups, high school and collegiate levels and finally in the senior men's AAU meets. In this improvement, age group programs throughout the United States can take a large share of the credit. California for example, looks with pride at the fine performances of their older swimmers, such as Bittick, Bennett, Clark, Heinrich and Harrison in recent AAU competition.

The 1960 trials should overshadow the two previous trials held in Detroit. Both in record performances by the swimmers and in the contribution Detroit will make to the Olympic Fund.

How do the early performances place American Men Swimmers in coming World Competition? Certainly they indicate we have an opportunity to score in almost every Olympic Event. The achievements of swimmers such as Mike Troy in the Butterfly, Bennett and Bittick in the Backstroke and Alkire, Clark and Farrell in the sprints make it possible for the United States to win gold medals in Rome. Diving has always been under U.S. domination, and with the large field of divers now training in California, Michigan and Ohio, one should be able to predict continued superiority.

Events where were once forced to admit the U.S. had taken a back seat, now appear encouraging. For example, Alan Somers of the IAC is young, strong and intense. Watching him and his team mate, George Breen, one realizes that they cannot be counted out. U.S. breaststrokers are fighting to improve in skill, training and conditioning to make up for lack of experience in a relatively new event in recent U.S. competition and Ron Clark, Paul Hait, William Mulliken, Ken Nakason and Dick Nelson not only desire to make the trip to Rome, but want to be high among the finalists.

With the addition of the 400 Meter Medley Relay to Olympic Competition, the relays now taken on greater significance and this 400 Meter Medley looks promising. U.S. strength in the sprint freestyle and the butterfly coupled with excellent performances by Nelson in the breaststroke and Bennett and Bittick in the backstroke give the American team a fine opportunity to swim on equal terms with the Australian and the Japanese. Pan American games performances in winning the 800 free relay by a young group of swimmers served notice that the U.S. cannot be ignored. The qualification for this relay through the 200 meter freestyle should be one of the most interesting and highly contested events in the Detroit Olympics Trials. Those of us who will be associated with the U.S. team can now look forward to the games with increased optimism.



RAY DAUGHTERS REPORTS

The Olympic Committee will select two places, first and second in each swimming event, and two in each diving event, and six men from the 200 meter Freestyle to make up the Relay. We have also inserted a 100 meter Breaststroke event, which will give us possible strength in the Medley Relay without increasing the number of competitors on the team. Both Men's and Women's tryouts will include this 100 meter test with this idea in mind.

At the present time we expect to take the Men's Swimming Team on the 6th of August to East Lansing, Michigan, where we held the Pan American tryouts, for a 6 day special training period under the direction of Coaches Gus Stager, Swimming, and Phil Moriarty, Diving. We will leave on the 11th for New York to spend 2 days in processing, checking passports and other official documents necessary for the teams' trip to Rome. The Swimming Team will fly Pan American Airlines DC7C's direct from New York to Rome on the 13th of August.

EUROPEAN OLYMPIC OUTLOOK

By Bill Juba, Assoc. Editor, Swimming Times

Due to their geographical position swimmers in Europe have greater opportunities of international competition than the majority of those in other parts of the world.

The overall picture gained from these inter-country meetings is that the Dutch girls, strongly supported by the Germans, British and Swedes, will provide the strongest challenge to the Australians, U.S.A. and Japanese. The men's chances are not so confined to one or two countries.

The Dutch girls hold every individual European record, with the exception of the breaststroke, where they are far from weak, having the powerfully built former world record holder, Ada den Hann. Their free-stylers will include Europe's fastest girl swimmers, Cockie Gastelaars (100 m., 1:02.9) and Corrie Schimmel (400 m., 4:54.4). Then they have backstroker Ria van Velson, who recently created a new world women's 100 m. backstroke record of 1:11.0 in East Germany. Britain was greatly surprised in this same 100 m. backstroke when juniors Rene Dobber (Holland) and Ingrid Schmidt (East Germany) clocked 1:11.8 to push Britain's world ranking Margaret Edwards and Natalie Steward right into the background.

Ranked fourth and seventh in the 100 m. butterfly world ranking, Atie Voorrbij (1:10.5) and Tinke Lagerberg (1:11.9) should reach the exclusive eight. The Netherlands 400 meter medley team of Velson, denHann, Voorrbij and Gastelaars should finish in the first three.

Sweden's Freestyler 400 M. Threat

Other Europeans who will be striving for honors in Rome include: Natalie Steward (Britain), Katalin Boros (Hungary), Karin Larsson (Sweden), and Cristel Steffin (E. Germany), in the 100 m. free-style. However, I cannot visualize any of these appearing in the final. Sweden's newest starlet, Bibbi Segerstrom, joined the elite who have broken five minutes for 400 m. when she won this event in 4:59.5 for her country against Britain at the end of June. She could join the Australian's Dawn Fraser, Ilsa Konrads, America's Chris von Saltza, Britain's Nan Rae and Holland's Corrie Schimmel in the race for the Olympic crown. *(Note: Bill Juba was not aware at his deadline that 14 year old Carolyn House had for the second time broken 5 minutes for the 400 m. freestyle. On July 16 at Nationals Carolyn finished 2nd to von Saltza in 4:59.0).*

One title that we in Europe think we will win, is the women's 200 m. breaststroke. There are numerous swimmers who can cover the distance under 2:54.0. These include Anita Lonsbrough (Britain), Ada den Hann (Holland), Barbel Walter (E. Germany) and two really outstanding German prospects, big blonde Gertrude Urselmann, who holds the world best for 100 m. of 1:19.1 and has been under 2:50.0 for 200 m., and Barbara Gobel, a newcomer from the Eastern Sector who has returned a 2:50.6.

Ian Black — Britain's Freestyle Dark Horse

In the men's free-style events, the fantastic young Scotsman, Ian Black, will most certainly not permit Jon Konrads to ease up in the 400 m. freestyle. He told me that he was not keen to race the 1,500 m. and only last month Joszef, 19 year old Hungarian reduced Black's 1,500 m. European record by 10.6. Black, in a recent last leg, covered 200 m. in 2:03.4. He has also done a short course time of 2:14.9 for 200 m. butterfly. I think he could be among the finalists in the 100 m. freestyle if he was extended. The only other European who clocks consistently under 57s. is Paola Pucci, Italy, present European champion.

Robert Christophe, France, has one of the slickest backstroke starts in the world and will probably break 1:02 for 100 m. backstroke which is good enough to disturb the world's leading dorsal stars. There are several swimmers covering this distance under 1:04, but only the Frenchman has a fighting chance.

Similar to the girls, we are rich in men breaststrokers. The chief challenge to Olympic champion Terry Gathercole, Australia, is Earnest Henninger who has set up a new European record of 2:37.4.

FAST, FURIOUS "4th" AT AQUA FAIR

Santa Monica, Calif. — It was a fast, furious Fourth of July as the three day Aqua Fair Age Group meet frothed to a frenzied, freezing finish.

For the first two days, with the meet conducted on a seeded heat basis and no finals, starting at 9:00 a.m., it was after 8:00 p.m. when the final heat was finished.

Claudia Wilkinson, West Valley S.S. took five out of six possible indivdual firsts in the girls 10 & under class. Phil Houser, South Bay Swim Club, duplicated Wilkinson's feat in the boys 11 & 12 and added a National Age Group record in the 100 yards (sc) butterfly of 1:03.6. Marge Templeton, Blue Buoy S.S., 13-14 girls broke the one minute barrier for 100 yards (sc) freestyle as she stroked to a furious :59.1.

Rich McGeagh, Un, splashed to a new National Age Group record in the boys 15-16 200 yard individual medley in 2:11.5.

But the hottest firecracker of them all was little 11 year old Gina Ambrose, Santa Clara S.C., whose performances must have made George Haines, her coach and U.S. Olympic Coach for Women, feel that it will be a long time before the Santa Clara reign is to be threatened. Gina swept five events out of six and rewrote three National Age Group records in the process. Her new records are (sc): 200 yards freestyle 2:14.8; 100 yards butterfly 1:09.3 and 200 yards individual medley 2:34.9.

Though the meet extended into long hours, it was perhaps a meet that produced more good swimming with greater number of participants than the Southern Pacific Assoc. had ever experienced. Meet Director John Joseph and the Santa Monica Swim Patrons, in adding a day of relays, gave the competitors a big day of fun with most clubs using their entire squads.

SPILLANE EDGES CONE IN BACKSTROKE AT DAD'S CLUB OPEN

Houston, Texas — Joan Spillane, Houston Dad's Club's 17 year old Olympic hopeful scored a big upset in winning the women's 100 yard (sc) backstroke in 1:05.3.

Trailing Joan by .9 seconds was American National Outdoor Champion .and 1956 silver Olympic backstroke medalist, Carin Cone, Shamrock-Hilton.

Pat Patterson's protege also won the 100 yard (sc) freestyle in :56.4 and streaked to a 400 yard individual medley win in 5:30.0.

In the girls midget (10 & under) Dad's Club swimmers took firsts in all events, G. Emde winning the 50 yard freestyle in :31.8 and 100 yard individual medley in 1:26.5. Her team mate, R. Hickman duplicated her efforts in the Junior division (11-12) with similar wins.

In the boys midget (10 & under) J. Tower, San Antonio Aquatic Club shared double victories with Dad Clubber T. Suchecki. In the Junior division (11-12) another Pat Patterson swimmer, S. Shields, hit the double, with wins in 100 yard butterfly and 200 yard individual medley.

ROY SAARI, 15 year old El Segundo, Calif., retains his National Long Distance Championship, July 10, receives his gold medal from John Moran, Pres., San Dimas Chamber of Commerce. Roy covered the 4-mile San Dimas, Calif., course in 1:26.45.3 for a new national record. At his right is Tom Bucy, Los Angeles AC who finished second (1:29;29) and Ray Bray, Huntington Beach S.C. (1:33:40) Los Angeles AC won the team championship. (Photo by John Durirka)

18 NATIONAL AGE GROUP MARKS WASHED OUT BY FLORIDA WAVE

Miami, Florida — Eighteen listed national times were bettered as the South Florida Association of the AAU held its first championship meet over the 20-yard course at Curtis Park Pool in Miami on June 30 and July 1 and 2. Standout girl in the meet was Mary Burbach of Coral Ridge Yacht Club in Fort Lauderdale. She bettered two national marks individually, 15-16, (40-Yard Free in 20.9 and 100-Yard Free in 58.8) and then shared honors with teammates Sally Bronson, Pam Swart, Diane Seaward, Ann Barlow and L. Morrison as they revamped the records in the 160-Yard Medley Relay, 1:37.9; 400-Yard Medley Relay, 4:38.7; 160-Yard Free Relay, 1:25.7 and the 400-Yard Free Relay, 4:10.9.

Her teammate, Pam Swart, however, edged her in the 160-Yard Indv. Medley to establish a 1:57.5 record.

Jane Rohrback of Miami Beach Recreation dominated the longer free style events as she set new marks of 2:13.2 in the 200 and 4:44.7 in the 400. Jane is also 15-16.

Lynn Hunt of the Boys 15-16 brigade set a new 160-Yard Indv. Medley mark of 1:43.7 and barely missed two others, each by one-tenth of a second, as he went 18.3 in the 40-Yard Free and 4:56.5 in the 400-Yard Indv. Medley.

In the 13-14 age bracket Steve Carty of Allapattah Y went 2:39.1 in the 200-Yard Breast, while his teammate Steve Florence set a new 160-Yard Indv. Medley mark of 1:50.2. They combined with Dennie Fernander and Will Elder to set a new 160-Yard Free Relay record of 1:18. Only mark in the girls' 13-14 bracket was by Cordy Thompson, unattached of Ft. Lauderdale, who did 1:56.8 in the 160-Yard Indv. Medley.

Jay Schwartz, 11-12, unattached, of West Hollywood, set two new breast stroke marks as he did 40-yards in 26.2 and 100 yards in 1:17.3.

The other two marks were set by Florence, Hunt, Ray Fordyce and Lee Stauffer as they did 1:14.5 in the 160-Yard Free Relay and 3:39.1 in the 400-Yard Free Relay to win the 15-16 bracket for Allapattah Y.

Junior Swimmers of the Month

CAROLYN HOUSE
AT 14—HOUSE AFIRE!

Carrying away top honors from tough competition seems to come naturally to this slender, platinum-tressed fourteen year old. Carolyn House, a veritable powerhouse in the water, was not always a winner.

She learned to swim at four in the backyard pool at home, began competition at seven at Balboa Bay Club with a win in the 15 yard class. In 1956 this Los Angeles, California girl joined the Los Angeles Athletic Club and received her first professional training under Peter Daland. In 10 local AAU age group meets in 1957, Carolyn never won a medal and rarely made a final.

Put on a distance diet, and obeying a rigid self-imposed discipline, Carolyn went from last place in local age group competition to score 11 points in the 1958 indoor SPAAU championships.

In 1959 she became the top distance freestyler in Southern California for all distances from 200 meters up. At the outdoor Nationals she was second in the mile, 21:45.9; 4th in the 440 yards, 5:09.1, and 220 yard freestyle, 2:26.9.

Carolyn began training with a vengeance in 1960 for an Olympic berth. At the 1960 indoor Na-

tional, her 5:42.2 won her third place in the 500 yard freestyle. But the astonishing teen-ager surprised the swim world when, in the Los Angeles Invitational, June 24, she became the second American girl to break 5 minutes in the 400 meters freestyle with a 4:59.9. (4:59.0 on July 16 at Nationals). And on July 14 at Broad Ripple Pool, Indianapolis, a new National 1500 meter freestyle champion was crowned as she outswam defending champion Sylvia Ruuska in a record breaking 19:45.

Carolyn trains 1½ hours, 6 days a week in short course from December through the middle of June. From the end of school until the end of August she works 4 hours per day, 6 days weekly, at 50 meter pool training. She points almost exclusively for the 200 through the 1500 freestyle.

Carolyn's best times (50 meter pool):
100 M. free, 1957 (11) –, 1958 (12) 1:11.1, 1959 (13) 1:09.0, 1960 (14) 1:06.2. 200 M. free, 1957 (11) 3:14.0, 1958 (12) 2:36.2, 1959 (13) 2:24.7, 1960 (14) 2:23.1. 400 M. free, 1957 (11) 6:44.3, 1958 (12) 5:25.0, 1959 (13) 5:08.3, 1960 (14) 4:49.9. 1500 M. free, 1958 (12) 21:25.1, 1959 (13) 20:25.5, 1960 (14) 19:45.0. 400 M. Ind. Med., 1958 (12) 6:31.7, 1959 (13) 6:07.0, 1960 (14) 5:51.6.

BILL SHROUT
FAST FREESTYLER PUTS HEAT ON SENIORS!

One of the outstanding young swimmers in the Metropolitan Assn. of the AAU is 13 year old William Shrout of the Flushing YMCA, New York.

At nine he became a member of the Flushing YMCA Aquatic Club which today has a swimming membership of 150 boys and girls. At the Y, Bill caught the attention of Coach Frank Ranhofer Jr. who launched young Shrout on a rigorous training schedule which brought noticeable improvement.

As a ten year old, he was district age group champ in freestyle, backstroke and breaststroke. At eleven he lowered his times from :32.5 for 50 yards free style set year previous to :29.8; 100 yard freestyle from 1:17.0 to 1:10.0. He stroked 2:30.0 for the 200 yard and 5:45.0 for the 440 yard freestyle.

At twelve, the Flushing Y youth became the district champ in 50 and 100 yards backstroke and breaststroke. His times now dropped to :27.0 for 50 yard freestyle, 1:01.0 for 100 yard freestyle, 2:16.0 for 200 yard freestyle, 5:15 in the 440 yard freestyle, and 1:13 in the 100 yard backstroke.

This year, thirteen year old Shrout, in finishing second to 16 year old All-Met Dave Abramson in the 200 meter freestyle, set a new senior Metro record of 2:13.7 in a qualifying heat at the Senior Metro Champs, June 24. This came one week after setting a new district age group record of 1:02 in the boys 13-14 100 meter freestyle. Other bests are :24.8 for 50 yard freestyle, :54.3 in 100 yard freestyle, 2:00.7 in the 200 yard freestyle, 2:23 in the 200 yard backstroke. (All times 25 yard sc). He won the 1500 meter Jr. Metro Champ in 19:20.2 and later did 19:15.4.

Coach Ranhofer's training program for Bill consists mainly of repeats of 200 to 400 yards. A typical workout includes 5 or 6 200 yard freestyle efforts in 2:10 or three to four 400 yard stints at 4:30. Kicking is interspersed and followed by several 40 yard freestyle sprints closing with a 100 yard freestyle sprint. Workouts are conducted in freestyle except when preparing for a special meet.

WICHITA S.C. WINS OIL CAPITOL MEET

Tulsa, Okla. — Wichita Swim Club piled 220 points during the three-day meet, June 10-12, to win their first meet of the summer season. They were followed by Tulsa 215 pts., Oklahoma City 113 pts., Houston Dad's Club 94, and Bartlesville 87.

Triple winners were (Girls) C. Stock, Shaw Park 8 & under, M. Byrne, Shaw Park 9 & 10, A. Bourg, Shaw Park 11 & 12, J. O'Keefe, Dad's Club of Houston 15 & 16. Teammate Vicky Dickinson took 3 gold medals in 13 & 14 and also captured the senior women's 100 meter backstroke.

(Boys) T. Calloway, Little Rock Boys Club 11-12, C. Zahn, unattached, senior men and D. Quick, Brookhaven Country Club, who added the senior men's 1500 meter freestyle to his three age group firsts in 15-16.

Bulloch Triple Winner at Mo.

Springfield, Mo. — S. Bulloch, Tulsa Y Aquatic Club, was the only competitor to score a triple at the Sixth Invitational AAU Meet at Southwest Missouri State College pool, June 26. Bulloch was the gold medalist in 100 meter breaststroke, butterfly and 200 meter individual medley.

M. Meisinger, Topeka Swim team, scored twice in the boys' 11-12 bracket while A. Bourg, girls, 11-12, and M. Schnellbacker and A. Fehling, Shaw Park, girls 13-14 also had twin victories.

Age Group Relay Marks Set at Beaverton

Beaverton, Ore. — The Tacoma Swim Club (Richards, Engelland, Newberg and Jewell) set a new boys national 15-16 200 yard medley relay time of 1:51.0 (sc) at the Kiwanis Invitational, June 25-26. Sharing honors was the Multnomah AC girls 11-12 200 yard freestyle team (Haroun, Sheets, Eggen, Gabie) who flashed to a new time of 1:58.2.

SEVEN NATIONAL AGE GROUP MARKS SET AT PORTAGE PARK INVITATIONAL

Chicago, Ill.—Portage Park, home of the Pan Am Games, played host to one of the largest age group meets ever held in the windy city. Competitors representing 50 clubs from 13 states celebrated the Third and Fourth of July with a splash as seven new national age group records went into the books.

Coach Ray Essick's nationally rated New Trier Swim Club accounted for four with Gene Lee's Indiana A.C. taking the other three. Coach Lee's solid squad swam off with both boys and girls high point trophies.

The new national records: (all lc)

Boys 11-12, 100 m freestyle, Joe Sheehy, IAC, 1:07.3; Girls 13-14, 100 m breaststroke, Jean Dellekamp, IAC 1:25.3; Boys 13-14, 100 m backstroke, Jack Kiefer, NTSC 1:08.3; Boys 15-16, 400 m Ind. Med., Dale Kiefer, NTSC 5:34.5; Boys 15-16, 400 m freestyle, Dick Williams, IAC 4:48.2; Boys 15-16, 400 m medley relay, New Trier (J. Kiefer, D. Kiefer, W. Burson, F. Schmidt) 4:42.2; Boys 15-16, 400 m freestyle relay, New Trier (D. Kiefer, W. Burson, F. Schmidt, S. Van Kennan) 4:09.3.

HOUSER & KENDRICKS EACH SWEEP FIVE EVENTS AT SANTA CLARA

Santa Calara, Calif. — Eleven year old Philip Houser and 16 year old Ralph Kendricks each won every gold medal open to them in their age group at the Santa Clara Valley open championship, June 18 and 19.

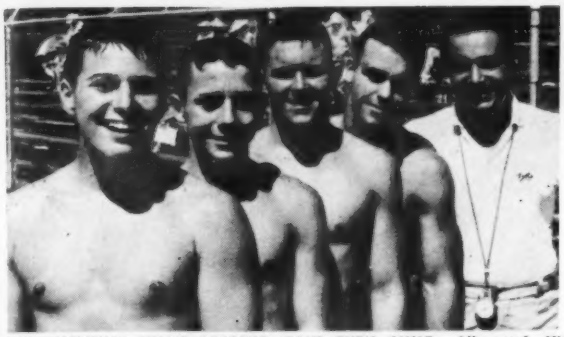
Houser, South Bay Swim Club, frosted his cake with a new national age group record in the 100 yard butterfly (sc) in 1:04.3. His other four firsts were 100 yard freestyle :59.2, 100 yard backstroke 1:09, 100 yard breaststroke 1:17.9, and 200 yard individual medley 2:23.4.

Ralph Kendricks, swimming for the San Leandro Beavers, set three nationals as he stroked to five wins. The new national marks are 200 yard breaststroke 2:25.9, 100 yard butterfly :54.3 (set in prelims) and 200 yard individual medley 2:09.0. Kendricks other times were 100 yard freestyle :52.4, and 100 yard backstroke 1:01.9.

12 other national age group marks went down the drain. The new marks are: (all for sc) Girls 11-12, 100 yard freestyle J. Ferris, Arden Hills, 1:01.4 100 yard backstroke G. Ambrose, Santa Clara, 1:09.1, 100 yard breaststroke J. Ferris, A.H., 1:18.6, 100 yard butterfly S. Butler, A.H. 1:08.7, 200 yard individual medley G. Ambrose, S.C. 2:28.8. Girls 13-14; 100 yard freestyle C. Wood, Multnomah AC :56.5, 100 yard backstroke D. DeVarona, Berkeley Y 1:06.1, 100 yard butterfly C. Wood, MAC 1:02.4. Girls 15-16; 200 yard breaststroke A. Warner, Santa Clara 2:33.2. Boys 9-10, 50 yard butterfly M. Spitz, Arden Hills, :31.7. Boys 13-14, 100 yard freestyle D. Schollander, Multnomah AC, :52.8 and 100 yard butterfly D. Schollander :57.7.

STEWART, 14, ON CANADIAN TEAM

Winnipeg, Canada — Mary Stewart, 14, Dolphin Swim Club, Vancouver is the only age group swimmer to make the Canadian Olympic team. At the conclusion of the trials held on July 14, Mary, who won the 100 meter freestyle in 1:04.0 was selected along with Sara Barber, 20, of Brantford, Margaret Iwaski, 19, and Judy McHale, 18, Vancouver and Irene McDonald, 25, diver from Hamilton.



TWO NATIONAL RELAY RECORDS MAKE THEM SMILE. Allapattah Y's 15-16 relay team set two national age group records at Miami, Florida, July 1-2. Coach Bill Diaz's lads went 1:14.5 in the 160 yard freestyle relay and 3:39.1 in the 400 yard freestyle relay (all 20 yard course). Age Group Domination at Womens Nationals Presage Youngest Olympic Team Ever

Indianapolis, Ind. — "One down and one more to go" . . . that seemed to be the slogan as competitors left Broad Ripple pool for the last three weeks before the "moment of truth."

Blond Carolyn House, after four straight days of hard competition when asked if she wanted a day off, replied, "Let's get back to work . . . I have some business to take care of." Carolyn will be pointing for the 400 meter freestyle and a 4:54 is within her capabilities.

But it was all the age group "veterans" who raced away with the records and top honors. Chris von Saltza, 16, Santa Clara SC set three new American records in the freestyle events. Her 4:46.9 for 400 meters was second only to the pending world mark of 4:45.5 by Australia's Ilse Konrad. Her other new American records are: 100 meters 1:01.7, 200 meters 2:15.1 and anchor on both the 400 meter freestyle relay 4:21.8 and 400 meter medley relay 4:49.1.

Little Donna DeVarona, 13, Berkeley Y, set a new world record as she outstretched Sylvia Ruuska by 1/10 of a second in winning 5:36.5.

Blond Lynn Burke, 16, Santa Clara SC staked claim as the world's fastest backstroker as she set world marks of 1:10.1 in 100 meters prelim and 2:33.5 in 200 meters.

Ann Warner, 15, Santa Clara SC stroked to a 2:53.3 in the 200 meters breaststroke. This bettered her listed American of 2:56.4 but is short of her pending mark of 2:51.4. Becky Collins, 15, Riviera SC, posted a 2:36.8 in the 200 meter butterfly which breaks her world record but is slower than record 2:34.4 pending of Marianne Heemskerk, Holland.

Carolyn House, 14, LAAC, set a new American 1500 freestyle mark of 19:45.

But it was the solid performances of Susie Doerr, 14, and team mate Nina Harmer, 13, Vesper Boat Club, Jean Dellakamp, 13, Indianapolis AC in the freestyle, backstroke and breaststroke respectively that had the veteran swim experts talking.

Little Debby Lee, 13, in her first national, swam on the winning Santa Clara freestyle relay and splashed to a 1:05 split for 100 meters.

All are definitely in America's future swim plans.

DOLPHIN SWIM CLUB BREAKS NATIONAL RELAY RECORD

San Leandro, Calif. — For the third consecutive year, the Dolphin Swim Club of Lakewood, California captured the Aqua Crown in the 13 to 16 Year Division at the San Leandro Relays. Not only did they swim away with top honors but broke their own National Record in the 400 Yd. Medley Relay in the time of 4:06.2. The outstanding record smashing relay team was composed of Bob Duncan, Mike MacQuarrie, Terry Humphries and John Poe. Berkeley Swim Club was second in high point honors.

Junior Swimmer . . . Coach of the Month

"PAT" PATTERSON

HEAD-MAN AT THE DAD'S CLUB CORRAL

In 1954 a group of fathers, interested in providing recreational facilities for all the children in the community of Spring Branch, founded the Spring Branch-Memorial Drive Dad's Club. The first project was a swimming pool, and as soon as the pool was completed the Dad's Club became sponsors of a swim team and have continued to support the team to this date.

The Dad's Club is a private community club open to all families residing within the Spring Branch Independent School District for a membership fee of $15.00 per year. Swim team members pay an additional $15.00 per child. The club provides all types of recreation facilities . . . tennis, badminton, volleyball, softball and recreation hall for dances . . . but the swimming pool is by far the most popular.

THE PATTERSON'S ARRIVE

In May, 1957, The Dad's Club hired Melvin Ray Patterson to coach the swim team. "Pat," as he is better known, is a graduate of the University of Texas with a degree in Physical Education. A three year letterman in swimming and captain of the team in his senior year, Pat married wife Jane, also a Texas U. graduate, a holder of a Ph.E. degree, and now is the father of David, three years and Wendy, 4 months. Pat is the swim coach while Jane, with a background of 11 years of competitive swimming handles the "paperwork."

TEAM PRACTISES

Practice for the team begins the first of November and ends April with workouts available Monday through Friday 6:00 - 7:00 a.m. and 6:00 - 7:00 p.m. The evening workouts are scheduled with the 10 and under and 11-12 year olds practicing on Tuesday and Thursday, and the 13 and over swimmers working on Monday, Wednesday and Friday. From June through August the pool is available three times daily for the use of the swim team — 7:00 - 8:30 a.m., 12:00-2:00 p.m. and 6:00-7:00 p.m. The swim team is divided into groups on the basis of speed and ability during the summer. The more skilled group or "A" team practices in the morning and evening sessions, and the "B" team swims during the noon-hour. Swimmers must qualify by time to practice with the "A" group. A swimmer meeting these time standards automatically moves up.

The 25-year old Patterson is always open to new ideas and new methods of coaching. However the following techniques have proved successful in

his tenure with the Dad's Club. Every swimmer is allowed to choose a stroke to specialize but is required to practice all four competitive strokes during most workouts. The younger swimmers (12 & under) are drilled most on short sprints. At regular intervals they are timed on distance swims up to 400 meters to develop their endurance and prepare them for the longer distances they must swim as they move up in the age brackets. The older swimmers (13 & over) spend more time on their individual specialties but must still practice on all strokes at certain times. The older group follows much the same procedure of training, but swim longer sprints. Swimmers are encouraged to keep a workout log while Mrs. Patterson keeps a file on each swimmer's competitive performances.

WORKOUT PROCEDURES

In explaining his workout procedures, Mentor Patterson says, "Our team workouts average about 60 swimmers at the evening practices. We plan our drills to keep all the swimmers busy for an hour. I do no worry about the distance they swim but concentrate on sprinting. They hardly ever swim over five lengths of 166 2/3 meters at a time. They swim odd lengths so that another heat can be started before the first one finishes. We spend much time on swimimng widths for a certain length of time, ie kick for five minutes, pull for five minutes, swim for five minutes. We also do most of our width sprints without breathing to develop breath control. Then we do what we call "over and out" sprinting. The swimmers sprint the width, climb out of the pool as fast as they can then start again immediately.

Morning workouts usually have about 30 swimmers. Then we do our pace work and distance. We try to get our swimmers to take pride in doing fast repeats. This contributes to the success of most of

the top swimmers in the United States, so I am trying to develop this program to suit mass workouts. Our repeat work is in the short distances. Pace work is done at the pace I want swum for the last part of a race, for example the last 50 meters of 100 meters."

DAD'S CLUB SUCCESS

"At the Dad's Club I feel strongly that two big factors working in favor of our team's success are community interest and complete harmony between coach and parents. This is true throughout the United States in age group swimming and most of the problems in coaching arise from a lack of understanding between the parents and the coach. Coaches and parents should talk things over and if no agreement can be reached, it is best to drop them for the benefit of the entire team."

Through its program, the interest and performance of its swimmers, the Dad's Club has amassed a total of 97 team championships in the past five years in various meets in Texas.

At the end of the 1959 season the following 18 Dad's Club swimmers were ranked first in the national age group results: Joan Spillane (15-16) 110, 220 and 440 yard freestyle, Pencie Pearson (15-16) 220 yd. breaststroke and 220 yd. individual medley, Vicki Dickinson (13-14) 55 yd. freestyle, Steve Shields (10 & under) 55 yd. butterfly, Jeanne Hough, Emily Lhamon, Pam Wilkinson and Goody Emde (10 & under) 220 yd. freestyle relay and 220 yd. medley relay, Drew Patterson, Clint Williams, Jim Spillane and Grover Ellis (13-14) 220 yd. medley relay, David Ellis, Tom Suchecki, Steve Shields and Sam Henry (10 & under) 220 yd. medley relay, David Ellis, Tom Suchecki, Steve Shields and Leonard Paton (10 & under) 220 yd. freestyle relay and Joan Spillane, Pencie Pearson, Ileta Jones and Terry Patterson (15-16) 220 yd. medley relay. Other Dad's Club representatives were listed among the top five in national age group results.

"THE EYES OF TEXAS ARE UPON HER"

The pride of the Dad's Club is Joan Spillane, who, during three years of Coach Patterson's tutelage has developed into America's number 2 freestyler. She placed second behind Chris Von Saltza in the 100 meter freestyle and third in the 200 meter freestyle at the Pan American Games in Chicago at the age of 16. Although she passed out of age group swimming in January she is definitely a product of that program and owes much of her success to her age group swimming experience. At the 1960 Women's Indoor Nationals in Bartlesville, she was only touched out in both the 100 yards and 250 yd. freestyle races by Miss Von Saltza and posted times of 56:9 and 2:40.3 respectively.

The Dad's Club freestyle relay team made up of 14 yr. old Vicki Dickinson, 13 yr. old Babs Baker and 16 yr. old Judy O'Keefe along with Joan placed 6th in the Nationals. It was the first national competition for Vicki, Babs, and Judy. Another Dad's Club age group swimmer, 15 yr. old Pencie Pearson, won the 1960 Women's Jr. National 200 yard Ind. Medley in 2:36.2.

The strength in the boys team at present lies in the 11-12, and 13-14 age brackets. Two products of age group swimming at the Dad's Club, David Driskell and Bill Baker, were chosen on the 1958 All-American High School Swim Team, David is now continuing his swimming as a midshipman at the Naval Academy while Bill, as a freshman at Texas A.&M. College turned in a time of 49.8 for the 100 yd. freestyle during the 1960 collegiate swim season.

The Dad's Club Swim Team is also proud of its parents organizations. The Board of Directors of the Dad's Club has a subcommittee responsible for the swimming area made up of about twenty fathers of swim team members. These men serve as a policy-making group and a middleman between the swim

team and the Dad's Club itself. The organization of mothers is known as the Boosters Club. Parents are encouraged to join for a fee of $5.00. Money raised in this manner is used to purchase awards for the annual awards banquet held each September.

A project of the swim team is the annual age group swimming meet held at the Dad's Club each summer in June. Also this summer the Dad's Club held its sixth annual open meet for the 10 & under and 11-12 age groups with an added division for men and women open to all swimmers 12 years and over.

WATER WORKS JAMMED AT MIDWEST'S BIGGEST

Cuyahoga Falls, Ohio—Swimmers representing 12 states, and 45 clubs swam 288 heats to jam up the 50 meter Water Works Pool July 8, 9, 10 in the largest midwest meet of the early season.

With favorable weather, slick meet directing by General Chairman Bob Warren, Meet Chairman Al Hall and the efforts of the Cuyahoga Falls Junior Chamber of Commerce, it was little wonder that competitors churned to 2 National Junior AAU records, 1 American and Citizens record and 5 National Age Group records. 22 meet and pool records were also viewed by the total attendance of 8,000.

The American-Citizens mark was made by Ron Clark, Detroit AC, in 200 meters breaststroke in 2:42.3. Donner Pool men's relay team set new National Junior AAU marks in winning the 200 meters medley (J. Roethke, W. Thompson, C. Schuette, C. Thompson) in 2:01.2 and 800 meters freestyle (same team except J. Tanner replaced W. Thompson) in 8:58.3.

And then came the age grouper's turn as cold figures merged with warm emotions to produce an outstanding competitive sporting event.

Jack Kiefer, New Trier Swim Club, stroked to three wins including a new boys 13-14 National 100 meter backstroke record of 1:09.2. Tom Tretheway, Mt. Lebanon Aqua Club, set a new National age group mark in boys 15-16 100 meter breaststroke with a 1:16.2. Gregg Smolenski, Un. Penn., surprised with a :40.2 in the boys 11-12 50 meter breaststroke to set a new National. Ross Wales, in the same age bracket, dropped the National 50 meter butterfly to :31.5.

Only National Age Group record to fall for the girls was in the 13-14 50 meter freestyle. Judy Norton, Cleveland Swim Club, set a new record of :30.5.

Fred Schmidt, New Trier S.C., looked solid in jamming through to three firsts in boys 15-16 and open division. Other triple winners were Andi Hopkins, Pittsburgh YM&YWHA, girls 13-14 and senior, Judy Norton, 13-14 and senior, Chris Kluter, Cleveland SC, senior, and Gary Heinrich, Cincinnati Coca Cola.

Little 13 year old Julie Burson, Portage Park SC, won the Women's Jr. National 1500 meter freestyle in 21:37.0. And pretty Dibi Everitt, Lake Shore, parlayed an all night bus ride into a first place 3-meter springboard win.

Bob Busby's Cleveland Swim Club took home the triple crown, winning the Senior Women's, Girls' Age Group and Boys' Age Group. It was only the second time in the 18-year history of the meet that one club has won three of the four championships.

Senior Men's crown went to Univ. of Michigan Gus Stager's Detroit Athletic Club. Stager is the coach of the U. S. Men's Olympic Swimming team.

Cindy Gay, Woodland Hills SC, Calif., just turned 11, and left a new set of national age group breaststroke marks for the 10 & unders to shoot at. Cindy's new records are: 25 Yd. :16.9; 50 Yd. :36.9; 20 Yd. :13.2, 40 Yd. :28.9, 25 meter :18.9, 50 meter (sc) :41.1, and 50 meter (lc) :41.5.

Mike Selig, Wichita SC, won the Men's National Junior individual medley crown at the New Mexico AAU Swimming & Diving Meet, July 2, in the time of 6:11.5.

Named as outstanding swimmers and Hawaiian State Champions in their age groups: Girls — Virginia Voss (8 & under), Diane Mishima (9-10), Jo Ann Kanno (11-12), Betty Ann Barnett (13-14), Lillian Ejercito (15-16). Boys — John McCormick (8 & under), Richard Gardner (9-10), Nelson Shibasaki (11-12), Blair Braun (13-14), Ed Townsend (15-16). The meet held April 11-13 attracted 16 clubs and 1000 participants.

Paul Katz, Knickerbocker SC, 10, is rapidly catching up on his sister Jane who is Senior Metro AAU freestyle champ. Paul wins in all strokes.

Tom Murphy, Congressional Country Club, won the District of Columbia AAU 1500 meter freestyle in 19:57.2. Tom is just 16. Suzanne Gardiner, 14, of Northern Va. Aquatic Club took the women's 1500 in 21:25.4.

Sandy Sandoval, Coach of the Twin Lakes Swimming Team, Nevada is pointing for the big Las Vegas Nevada invitational this Sept. On his team are Anita Golden, 14, state diving champ, Butch Davis, 15, breaststroke state record holder, Ginger Morgan, Alan Werly and Greg Gordan.

Dottie Graham, Women's Swimming Assoc., 11-12, is making the youngsters twice her size take notice. She is coming fast.

Swimmers traveling as far as New York City (40 miles distant) report daily for their workout at Bob Alexander's long course pool at Wayne, New Jersey. Six lanes are busy early a.m. to late p.m.

The Navy will again be host to the big Memorial Meet, Aug. 13-14 at the World-Chamberlin Naval Station, Minneapolis. Hopkins Swim Club sponsors and entries can be secured from Bill Stanton, Box 15, Glen Lake, Minn.

Good Shepherd Swim Team, Jacksonville, Florida, won their age group (10 & under) in the St. Petersburg Funtime Invitational. The 10 & under team are Trudie Slade, B. J. Peyton, Barbara Hart, Julie Langston and Suzanne Chance. Florida State AAU medley relay records were set in the 200 yard event in 2:41.8. They also hold the state mark of 1:12.8 in the 100 yard medley relay.

Dale Barnhard, 12 years, Congressional Country club breaststroke ace did a 3:09.3 for 200 meters and 2:27.7 for 100 meters (lc) at District of Columbia Senior District Champs. On July 14th at Greensboro, N. C. Invitational she set a new 50 meter (lc) national age group (11-12) record of :40.4. Congressional CC boys 13-14 (Dave Hoff, Gregg Meehan, Ricky Barr and Tim Miller) went 1:54.1 for 200 meters (lc) freestyle relay and a new national mark.

Tommy McLain, 7 years, Sammy Lee S. S., Anaheim, did a sensational 1500 meters in 27:10. (sc).

BOROWSKI — FIVE FIRSTS AT CHICAGOLAND

Four national age group records were bettered at the Chicagoland Open Age Group at California Park, Chicago on July 16-17.

Steve Borowski, Un., Chicago, won five firsts, plus a fourth for 38 points in 11-12 class. His :29.4 in the 50 Yd. (lc) butterfly bettered the existing national record.

Other national records (50 Yd. lc): Boys 15-16: 200 breaststroke, Ron Berry, Rock Island Y 2:38.9. 400 freestyle relay, Hinsdale Comm. Swim Assoc. (Green, Cordin, Bakken, Murphy) 3:52.0. Girls 13-14: 200 breaststroke, Vickie Humphries, PP, 3:04.3.

Cass, Ind. (It was the Dad of Bill Cass who proposed the emblems now used for the Winners of first place) Frank Brunell, Mid Atl – Frank McKinney, Ind.

1953 Molly Botkin, SPAAU, appeared and since then has made every Age Group Report. She was a little girl when she went to her first National at Tyler, Texas.

1956 Carolyn Wood, Ore. – Becky Collins, Ind. – Lyn Hopkins, Mid Atl – Bob Bennett, SPA – Nancy Raney was swimming the Individual Medley. It was this year that Chris von Saltza made her appearance and became a great rival to the fast moving Molly, reminding many of the old timers of the Ann Curtis and Brenda Helser rivalry.

1957 Ann Reel made her first bid for recognition, following her famous mother in breaststroke, and those who knew Patty Aspinall when she swam were startled at the resemblance between mother and daughter. Ann Warner, in this year, started to make first times. It was at Livermore when Ann set her first American record that her Dad jumped in fully dressed to give Ann a big hug. This was a sort of firsts for Ann.

1959 The old names were appearing with regularity and new names suddenly took over – Carolyn Wood, Ore. – Kathe Simecek, PAA – Carolyn Schuler, PA – Lynn Burke, Metro – Susan Rogers, Metro. Susan was swimming back stroke in 1959. These names and many more have appeared in every tabulation and it is a Good Bye to them as many have reached the age of graduation, 17 years.

The Age Group Program, started as a development program, was aimed toward the gradual development of the young swimmers for National and Olympic Competition.

New names are appearing the 10 and under class and in 11-12 year old group. Among them who will be looking toward the 1964 Olympic Games are a few of the following:

10 year and under class – Jill Spaulding, Ore., Central – Sharon Stouder, SPA – Sue Stone, Ga. – Christie Gimenez, SPA – Pam Sheets, Ore. – Lee Bradford, Ga. – Ed Jochums, PAA – Jim Davis, SPA – Mike Shelly, Florida – Bill Passey, Ariz.

11-12 Class boasts Donna de Varona, PA – Ann Barlow, Fla – Pam McPike, Ore. – Robert Cory, Niag – Tom Jamison, Central Calif. – Charles Schillinsky, PA – Don Schollander, Ore – Steve Vincent, Central.

The times are faster, the overall physical ability of the 50,000 youngsters, who are now swimming in competition, have shown development of both speed and strokes. It has forced qualifying times to be placed in the Olympic Trials at Detroit. In 1927 the only girl to break 1:10.0 for women was Eleanor Garretti of San Rafael in 1929 with a 1:09.8 in 1930 Helene Madison, a great swimmer, broke 1:10.0 with a 1:08.2. In 1949 Thelma Kalama, Hawaii, went to the Olympics with a 1:10.9. From 1953 to the present time there has been a rapid drop.

Swimming is now a major sport but of all the strokes, Breatststroke has made a gain that will show its effect during the coming Olympic Games in Rome.

RAY DAUGHTERS REPORTS

Continued from Page 5

You are aware of course, of the great improvement of our swimming team over the 1956 team in Australia. We still have plenty to worry about from the Japanese and Australian teams in the men's division. The Australian women will provide the strongest competition for the American Girls' team. The swimming events on the Olympic program will begin Friday the 26th of August, and will be completed on Saturday the 3rd of September. This will give 8 days whereby the members of the American Swimming Team will be able to enjoy sightseeing around Rome, which is the first time the American team have had a chance to enjoy this privilege. In the past the swimming events were the second week, which meant that the team had to return home when the events were over.

From present indications the American Men's Team have an even break with the foreign competition in both Freestyle and Medley Relay events. Butterfly and Backstroke gives a favored nod to the American Team by a very small margin, and a great deal will be expected from Jeff Farrell in the 100 meter Freestyle. We are still weak in Breaststroke events for men and women. The European competition is way out in front, but the Americans have the great facility in being able to come up from behind, and it may be a surprise to the authorities in what our Breaststrokers are able to do in Rome.

It will be a most interesting week for the American Swimmers in Rome, and we are all looking forward to coming home with many more gold medals than we did in Australia in 1956.
